26 – 28 September 2008  
Eglise La Bonne Nouvelle – Strasbourg

### « *Nous faisons un rêve* » – *We have a dream*

You are warmly invited to **Carrefour de L'ESPÉRANCE** – the fourth international conference of *Espérer aujourd'hui !* Under the theme “**We have a dream**” we will look at partnership in evangelism in Strasbourg and the Alsace.

Our conference will take place in the context of a **Martin Luther King exhibition** from 20-28 September. This pre-evangelistic exhibition is at Eglises Protestantes St Pierre le Vieux, rue du 22 Novembre. It presents different aspects of Martin Luther King's life: as a Nobel Prize winner, as a human rights advocate and as a Christian Pastor. In addition to the information display there will be special events related to Martin Luther King during the week. A programme with details of different exhibitions and events will be available at that time.

Please note that some parts of our conference are **evangelistic public events**, which you can invite friends and family to attend!

The main venue is Eglise La Bonne Nouvelle, 4 rue des Magasins, Strasbourg. The conference fee is to be confirmed but should not exceed €30 including meals on Friday evening and Saturday lunch.

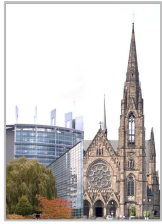

There are two options for accommodation:

- Bed and breakfast at Appart'Hotel Victoria Garden, 1 rue des Magasins (across the street from La Bonne Nouvelle)
